AMF-BRUNS PROTEKTOR® 2.0

Occupant & Wheelchair Restraint System according to ISO 10542

BLACKSERIES

The lightweight, black ABS cover of the **BLACKSERIES** retractors is robust and suitable for daily use in your vehicle.

THESE FACTS MAKE ALL THE DIFFERENCE

- ABS cover, durable and lightweight
- Semi-automatic pull-out
- Rotary knob for additional tensioning without effort
- Easy, intuitive operation
- Compact, low design
- Wheelchair attachment with loop, hook or carabiner
- Floor anchorage with 4 stud fitting or mono fitting
- Retractor system includes:
 - 4x retractor belt + 1x pelvis belt (Pro 4) or
 - 2x retractor belt + 2x static belt + 1x pelvis belt (Pro 2)
- Tested safety according to ISO 10542

SILVERSERIES

The noble cover of the **SILVERSERIES** wheelchair restraints is made of zinc die-casting - a material that makes the retractors particularly robust and which has proven itself in daily use in vehicles.

THESE FACTS MAKE ALL THE DIFFERENCE

- Zinc die-casting cover, noble and robust
- Fully automatic pull-out
- Self-tensioning
- Rotary knob for additional tensioning without effort
- Easy, intuitive operation
- Compact, low design
- Wheelchair attachment with loop, hook or carabiner
- Floor anchorage with 4 stud fitting or mono fitting
- Retractor system includes:
 - 4x retractor belt + 1x pelvis belt (Pro 4) or
 - 2x retractor belt + 2x static belt + 1x pelvis belt (Pro 2)
- Tested safety according to ISO 10542

The new generation of the PROTEKTOR® 4-point safety system convinces with its high safety aspect, aesthetic design functionality as well as high-quality materials.

The retractors are anchored to the vehicle floor with a 4 stud fitting or mono fitting and can be easily tethered to the wheelchair with a loop, hook or carabiner attachment.

The wheelchair restraint system is supplemented with a pelvis and shoulder belt to secure the wheelchair occupant.

The **BLACKSERIES** and **SILVERSERIES** are compatible with all wheelchairs and vehicles and is ideal for use of wheelchairs with an integrated lap belt PROSAFE.

+ Tomorrow's
safety today!

FUTURESAFE® Head & Backrest

FUTURESAFE is a safe, space-saving and comfortable patented safety system, which is flexibly customisable and comes with an integrated shoulder belt for the wheelchair occupant.

PROTEKTOR® Occupant & Wheelchair Restraint System

The PROTEKTOR® restraint system from AMF-Brunns meets DIN 75078 part II, ISO 10542.

PROSAFE® „Kraftknotenadapter“ Integrated Lap Belt

With the „Kraftknotenadapter“ system the wheelchair is quickly and precisely fitted to the vehicle's floor. It comes with a pelvic belt for the wheelchair occupant.
